- React, Redux, Javascript, Google Map API, Neo4j Database, Graph Database, Nodejs Express

SKILLS

AWS

Flask

Heroku

HTML5

Javascript

MongoDB

MySQL

Nodejs

Python

React

Redux

ACHIEVEMENTS

Masai Hackathon - 2nd Runner Up (03/2020 – 03/2020)
2nd Runner up in Masai school 36 Hours Coding Hackathon

Google India Scholar (2018 – 2019)

Select Among Top 150 Candidate Selected For The Android Nanodegree scholarship By Google and Udacity

ORGANIZATIONS

Masai OSS (02/2020 – Present)

Contributed In Open Source Project Excode at Masai Open Source Organization

CERTIFICATES

Responsive Web Design (01/2020 – 01/2020)

Free Code Camp Certification

ACCP PRO - J2EE (06/2016 – 06/2019)

Aptech Certified Professional, I have Completed a Fullstack Java Program In Which I learn About HTML CSS JS, Java, C, C++

Microsoft Certified Professional (09/2018 – 09/2018)

Microsoft Certified Web Developer (HTML5, CSS3, Javascript)

Android Developer Nanodegree (08/2018 – 06/2019)

Completed Android Developer Nanodegree Scholarship Sponsored By Google and Udacity

LANGUAGES

English

Professional Working Proficiency

Hindi

Native or Bilingual Proficiency

INTERESTS

Functional Programming

Javascript

Progressive Web Apps

System Designs
